

## A Mess Of Blues

Delbert McClinton

I just got your letter, baby  
Sayin' that you you can't come home  
I think I'm goin' crazy  
Sittin' here all alone  
Since you gone away, I got a mess of blues

I been drinkin' since last Sunday  
I ain't ate a thing all day  
Every day is Blue Monday  
Since you've been gone away  
Since you gone away, I got a mess of blues

Whoops there goes a tear drop  
Rollin' down my face  
If you cry when you're in love  
Sure ain't no disgrace

I gotta get myself together  
Before I lose my mind  
I'm gonna catch the next thing going  
I'm gonna leave my blues behind  
Since you gone away, I got a mess of blues

Whoops there goes a tear drop  
Rollin' down my face  
If you cry when you're in love  
Sure ain't no disgrace

I gotta get myself together  
Before I lose my mind  
I'm gonna catch the next thing going  
I'm gonna leave my blues behind  
Since you gone away, I got a mess of blues  
Since you gone away, I got a mess of blues
