Move It on Over

Delbert McClinton

Came in last night at a half past ten
That baby of mine wouldn't let me in
So move it on over (move it on over)
Move it on over (move it on over)
Move over little dog the big dog's movin' in

She changed the locks on our front door
My door key don't fit no more
So get it on over (move it on over)
Scoot it on over (move it on over)
Move over skinny dog the fat dog's movin' in

This dog house here is mighty small
It's better than no house at all
So ease it on over (move it on over)
Scooch it on over (move it on over)
Move over old dog cause a new dog's movin' in
That's right

She told me not to play around
I done let the deal go down
So pack it on over (move it on over)
Tote it on over (move it on over)
Move over nice dog cause a mad dog's movin' in

She warned me once, she warned me twice
But I don't take no one's advice
So scratch it on over (move it on over)
Shake it on over (move it on over)
Move over short dog cause a tall dog's movin' in
C'mon

She'll crawl back to me, on her knees
I'll be bust scratchin' fleas
Slide it on over (move it on over)
Sneak it on over (move it on over)
Move over good dog cause a mad dog's movin' in

Remember pup, before you whine
That side's yours and this side's mine
So shove it on over (move it on over)
Sweep it on over (move it on over)
Move over cold dog cause a hot dog's movin' in
