

Mr. Smith

Delbert McClinton

Ain't much shaking in a one horse town
News travels fast when somethin' good comes around
Saturday night they gonna be laying it down...
Mr Smith and his band of renown

Mr Smith is back in town
Mr Smith is back in town
Heatin' things up and coolin' things down
Mr Smith is back in town

A guy down at the service station said he bought two tickets last week
Turns out he can't use 'em and he's looking to let em go cheap
What say I buy em and you and me go stepping out
And find out what this Mr Smith stuff's all about

Mr Smith is back in town
Mr Smith is back in town
Heatin' things up and coolin' things down
Mr Smith is back in town

The joint was jumping and we were holding tight
Darcy danced holes in her shoes that night
When the band tried to stop the people were yelling for more
The last thing I heard walking it that door

Mr Smith is back in town
Mr Smith is back in town
Mr Smith is back in town
Mr Smith is back in town
Heatin' things up and coolin' things down
Mr Smith is back in town
