

# I Wantcha' Back

## Delegation

I wantcha' back; I wantcha' by my side again  
Girl.  
I wantcha' back  
Oh  
I wantcha' back.  
I'll never hurt your pride again  
Girl.  
I wantcha' back  
Oh  
Oh.  
Ever since you took your love away I've been crying over you.  
When I look at what I've got today my tomorrow looks so blue.  
Oh  
Girl  
How can I get through the day?  
Oh  
Oh  
Girl  
How can I get through the night?  
Tell me  
Tell me  
Baby  
How can I get through the day?  
Girl  
I've been missing you so bad.  
How can I get through the night; I still remember what we had.  
I wantcha' back; I wantcha' by my side again  
Girl. . . .  
Baby like a fool I messed around  
Till you couldn't take no more.  
Right before my eyes our ship went down  
Left me stranded on  
The shore.  
Oh  
Girl  
Can we ever get it back?  
Oh  
Oh  
Girl  
Can we ever put it right?  
Tell me  
Tell me  
Baby  
Can we ever get it back?  
I've been missing you so bad. Can we ever put it right?  
I still remember what we had.  
I wantcha' back; I wantcha' by my side again  
Girl. . . .  
I wantcha' back; I wantcha' by my side again  
Girl. . . .
