

It's the Delinquentes

Delinquent Habits

Yeah

I fetch my brazos hardcore down from the click-hi
Who's that - emanatin' funk through the speaker
Bass gets to pumpin' rucka's get to pumpin'
Who's that rap king got the party start jumpin'
Blasting too high no need for the boo-ya
My hammer with the one knock I'll shoot through ya
Step to the crowd I feel the strain
Those chingazos in the moshpit feel for pain
So don't get in my way baby
Because the guero loco came in here to play baby
My shit'll pump up a jam, god damn its the baddest
Tres delinquentes step into the madness

De ondas muchacho, hay bienes te miro
Si me tries bronca, me aloco de a tiro
Me paro te tumbo, no es tu rumbo
Y con en lingo talvez te confundo
Ships the attack with a 5 foot 10
The blaxican once again with the cocktail pin
As I emerge from the depths of the realm my son
I got the black gat fat track, coke to rum
Otra vez ya lo ves in the crew somos tres
One blaxican on the squad you don't test
Sittin' hard like and an Aztec swift like a Zooloo
That's what it's like when the pump shot through ya

My manner is the mildest till the punks get piled
My number one assassin flips the mad funk styles
Me I play the back road but I'm delinquente
This is how I freak it when I'm speakin' to the gente

Guatcha trucha calmate escucha
Somos delinquentes tu no quieres lucha
We freak at this, que siguesendo rey
O.G. freaks the beat the mariachis play
Fade it in - snare from ASR-10
Produce de mas mejor. It's O.G. style again
Freak it, pump it, bass out the carro
Oh gee he's got more boom boom than charo
Third el tres bring cuts to your face bro
Hold down the needle with a penny or a peso
See all the style used to create with
One turntable and a broken 808, uh-uh

Yeah. it's pretty good?

That's Spanish?

That's not Spanish, that was English

No, huh-uh, that's... that's Spanish
