

## Spontaneous II

Delirious?

Come and wash it away, Lord  
Come and wash it away, Lord  
Come and wash it away, Jesus

Oh

Let's pray  
Those of you that love to dance  
Just begin to dance upon injustice

Be free  
I'm going to run to You  
I'm going to run to You

Dance upon injustice  
Hey  
Hallelujah
