

## The Happy Song

Delirious?

Oh I could sing unending songs  
Of how you saved my soul  
Well I could dance a thousand miles  
Because of your great love.

My heart is bursting Lord  
To tell of all you've done  
Of how you changed my life  
And wiped away the past  
I wanna shout it out  
From every roof top sing  
For now I know that God  
Is for me not against me

Everybody's singing now Cos we're so happy  
Everybody's dancing now Cos we're so happy  
If only we could see your face  
And see you smiling over us  
And unseen angels celebrate  
For joy is in this place!
