

## When All Around Has Fallen

Delirious?

When all around has fallen, your castle has been burned  
You used to be a king here, now no-one knows your name, I know  
You live your life for honour, defender of the faith  
But you've been crushed to pieces and no-one knows your pain

Come, come, lay your weary head, be still my friend  
Come, rise, I'll place My sword upon your shoulder  
Come, rise with me

When tomorrow has been stolen and you can't lift your head  
And summer feels like winter, your heart is full of stone  
Though all your hopes have fallen, your skin is now your only a  
rmor, oh  
Wear your scars like medals defender of the faith

Oh, come, come lay your weary head, be still my friend  
Come, rise, I'll place my sword upon your shoulder  
Come, come lay your faithful head, be still my friend  
Come, rise with me

Come and rise with me
