Map

Deliverance

Following the straight and narrow
Reading the signs and arrows
Driving away from the games we play
From horizons of gray
To the light of an endless day

I’ve got a road map to heaven
And each road is a cross
I’ve got a road map to heaven
For the blind and the lost

I’ve got a road map to heaven – heaven

And X marks the spot
And there’s a crosswalk
Where my life was bought

I’ve got a road map to heaven
And each road is a cross
“drive drive drive He said”
“I want to drive drive drive He said”
I’ve got a road map to heaven
For the blind and the lost
