

# Solitude

## Deliverance

A coward dies a thousand deaths  
A hero dies but once  
But what no one else has seen  
Is the truth that lies inside  
That behind the eyes of a hero lies a fear  
No less  
A fear  
No less than mine  
I say it time and time again

I don't want to be alone in this solitude

What is truth?  
Once one had asked  
And still he seeks to find it  
A man's fear is crushed when thoughts recall words heard so long ago  
Search for an answer  
A Holy book upon a shelf  
Words cutting deep inside  
Speaks to my heart and to my soul In this solitude

What is truth?  
Once one had asked  
And still he seeks to find it  
A man's fear is crushed when thoughts recall words heard so long ago

I don't have to be alone  
No more solitude
