There's another world inside of me that you may never see There's secrets in this life that I can't hide Somewhere in this darkness there's a life that I can't find Maybe it's too far away or maybe I'm just blind, maybe I'm just blind So, hold me when I'm here right me when I'm wrong Hold me when I'm scared and love me when I'm gone Everything I am and everything in me Wants to be the one you wanted me to be I'll never let you down even if I could I'd give up everything if only for your good So, hold me when I'm here right me when I'm wrong You can hold me when I'm scared but you won't always be there So love me when I'm gone, love me when I'm gone When your education X-ray cannot see under my skin I won't tell you a damn thing that I could not tell my friends Now roaming through this darkness I'm alive but I'm alone Part of me is fighting this but part of me is gone So, hold me when I'm here right me when I'm wrong Hold me when I'm scared and love me when I'm gone Everything I am and everything in me Wants to be the one you wanted me to be Ill never let you down even if I could I'd give up everything if only for your good So, hold me when I'm here right me when I'm wrong You can hold me when I'm scared, you won't always be there So love me when I'm gone (Maybe I'm just blind) So, hold me when I'm here right me when I'm wrong Hold me when I'm scared and love me when I'm gone Everything I am and everything in me, Wants to be the one you wanted me to be I'll never let you down even if I could I'd give up everything if only for your good So, hold me when I'm here right me when I'm wrong You can hold me when I'm scared, you won't always be there So love me when I'm gone, love me when I'm gone Woa love me when I'm gone, when I'm gone When I'm gone, when I'm gone
