

# Did We Ever Really Try

Delorentos

Gotta goosebump on my neck  
Gotta shortness in my breath  
Gotta sense of history  
Still a shroud of mystery

There's a yearning in my soul  
For a love I used to know  
Something preying on my mind  
Will there be a better time and

Did we ever really try to make it  
Did we ever really try  
Did we ever really try to face it to see eye to eye  
Or did we just run 'cause it's too hard  
And we keep on running on the spot

I've got lightning in my veins  
A desire that never wains  
I can't sleep a wink tonight  
Lie awake still mystified that  
I had a chance to make it real  
I had a chance to break  
But the wound wouldn't heal  
Now what am I to do  
When I don't have you, when I don't have you

Did we ever really try to make it  
Did we ever really try  
Did we ever really try to face it to see eye to eye  
Or did we just run 'cause it's too hard  
And we keep on running on the spot

/True hearts/ Repeat

Did we ever really try to make it  
Did we ever really try  
Did we ever really try to face it to see eye to eye  
Or did we just run 'cause it's too hard  
Or did we just run 'cause it's too hard
