

Cool Operator

Delroy Wilson

I love the way you walk

I love to hear you talk

I love to see you smile

You're a cool operator

Girl, I wish you were mine

I ain't got no money

No silver or dime

All I want from you, baby

Is to love me all of the time

I love the way you walk

I love to hear you talk

I love to see you smile

You're a cool operator

Girl, I wish you were mine

I ain't got no money

No silver or dime

But all I want from you, baby

Is to love me all of the time

I love the way you walk

I love to hear you talk

I love to see you smile

You're a cool operator

Girl, I wish you were mine

Yeah, baby, I said I love you for more than one reason

I really love you, baby, I really love you...
