

# Heart Hypnotic

Delta Goodrem

Grey skies over a setting sea  
Heartbreak, that sounds like a symphony  
Future memories at the thought of you  
Perfect moments of a desperate youth

Sunlight burning into the moon  
Just like all of the things you do  
The way you got me, yeah you're in control  
You can hypnotize me, you hypnotize me

I don't, I don't know what this is  
But I know I love it, baby yes I know  
You got my heart hypnotic  
Ain't no letting go

I don't, I don't know what this is  
But I know I love it, baby yes I know  
You got my heart hypnotic  
Ain't no letting go

Dark nights under the setting sun  
Bright lights, come we're the only one  
I've got this vision, how it's supposed to be  
There's a fortune teller, telling you and me

Your light is beaming inside of you  
That's how you mesmerize me too  
The way you got me, yeah you're in control  
You can hypnotize me, you hypnotize me

I don't, I don't know what this is  
But I know I love it, baby yes I know  
You got my heart hypnotic  
Ain't no letting go

I don't, I don't know what this is  
But I know I love it, baby yes I know  
You got my heart hypnotic  
Ain't no letting go

(Ain't no letting go)

I, I don't know what this is  
But I know that I, I love it  
I, I don't know what this is  
But you got my heart hypnotic

I, I don't know what this is  
But I know that I, I love it  
I, I don't know what this is  
But you got my heart hypnotic
