

# Hearts On The Run

Delta Goodrem

Run, run like a rocket that keeps lifting off to space  
You can't stop at nothing when you're this close to the edge  
I'm not running round in circles, I know exactly where I am  
I'm gonna run, run like a rocket who can win and win again

I've been racing  
I'll keep chasing  
My heart's on the run (heart's on the run)  
It's what you're made of  
That makes you find love  
My heart's on the run  
Heart's on the run

Run, run keep it going 'cause you can't run out of air  
It's just the beginning, can you feel the rush of it  
Now the engine's overheating and my patience's getting thin  
I gotta run, run to the finish like your life depends on it

I've been racing  
I'll keep chasing  
My heart's on the run (heart's on the run)  
It's what you're made of  
That makes you find love  
My heart's on the run  
Heart's on the run

Can't hold the feeling  
That something's gonna happen  
Something's gonna happen now  
Can you almost see it  
From all of the believing  
Gotta make it happen now

I've been racing  
I'll keep chasing  
My heart's on the run  
It's what you're made love  
That makes you find love  
My heart's on the run  
Heart's on the run

I've been racing  
I'll keep chasing  
My heart's on the run (heart's on the run)  
It's what you're made of (it's what you're made of)  
That makes you find love  
My heart's on the run  
Heart's on the run

I've been racing  
I'll keep chasing  
Heart's on the run (heart's on the run)  
It's what you're made of  
That makes you find love  
My heart's on the run  
Heart's on the run
