

Morse Code

Delta Goodrem

Decode the sound of a beat in my heart
The sound of my body
'Cause I've been feelin' us fallin' apart
Yeah
I know the secrets stuck under your skin
You don't wanna hurt me
But if you want me, then tear me apart
Yeah

Well, you talk that talk
Like you want to talk
So we try to talk
And all I'm hearin' is, whoa
When you walk that walk
I can barely talk
So we try to talk
And all I'm hearin' is, whoa

I don't know
It's like we're speakin' in morse code
If you want me, just tell me so
If you don't, then just let me go
Don't leave me hanging 'cause
I can't read your mind
I'm chasin' every sign
Still, I don't know
It's like we're speakin' in morse code

All I'm hearin' is
All I'm hearin' is

I know you're feelin' the energy now
The same one I'm feelin'
So can we get on this frequency somehow?

Well, you talk that talk
Like you want to talk
So we try to talk
And all I'm hearin' is, whoa
When you walk that walk
I can barely talk
So we try to talk
And all I'm hearin' is, whoa

I don't know
It's like we're speakin' in morse code
If you want me, just tell me so
If you don't, then just let me go
Don't leave me hanging 'cause
I can't read your mind
I'm chasin' every sign
Still, I don't know
It's like we're speakin' in morse code

All I'm hearin' is
All I'm hearin' is
All I'm hearin' is

Kiss me
'Cause I hear you when we're kissin'
You say all the words I'm missin'
You say all the things like (I need you)
Know me
Do you want to get to know me?
To be, be my one and only?
To say all the things like (I need you)?
Kiss me (I don't know)
'Cause I hear you when we're kissin'
You say all the words I'm missin' (Morse code)
You say all the things like (I need you)
Know me (Tell me so)
Do you want to get to know me?
To be, be my one and only? (Let me go)
To say all the things like...?

I don't know
It's like we're speakin' in morse code
If you want me, just tell me so
If you don't, then just let me go
Don't leave me hanging 'cause
I can't read your mind
I'm chasin' every sign
Still, I don't know
It's like we're speakin' in morse code

All I'm hearin' is
All I'm hearin' is
All I'm hearin' is
