

Babylon

Delta Heavy

She took me all the way to Babylon
There ain't no way I can let go
It's like she's holding me to ransom
And all the money in the world won't do, no

I'm going out of my head, going out my mind
Oh my God, do I miss your body
I'm going out of my head, going out my mind
I'm still here if you need somebody

I'm going out of my head, going out my mind
I'm still here if you need somebody

I'm going out of my head, going out my mind
Oh my God, do I miss your body
I'm going out of my head, going out my mind
I'm still here if you need somebody

She took me all the way to Babylon
There ain't no way I can let go
It's like she's holding me to ransom
And all the money in the world won't do, no

I'm going out of my head, going out my mind
Oh my God, do I miss your body
I'm going out of my head, going out my mind
I'm still here if you need somebody

I'm still here if you need somebody
