

Chasing Gold

Delta Heavy

Flashing lights
Forget who we are, diamonds in the rough tonight
Starry eyed, lead me through the night
You're what I've been trying to find

I'm chasing gold
I'm dancing to the rush
No, I can't get enough
I need it in my soul
I'm chasing gold
I'm dancing to the rush
No, I can't get enough
I feel it taking hold

I'm chasing gold
I'm chasing gold
I'm chasing, I'm chasing gold
I'm chasing gold
I'm chasing gold
I'm chasing

I'm chasing gold
I'm chasing
I'm chasing gold

Gold, I'm chasing
I'm chasing gold
I'm chasing

Gold, I'm chasing
Gold

I'm chasing gold
I'm dancing to the rush
No, I can't get enough
I need it in my soul
I'm chasing gold
I'm dancing to the rush
No I can't get enough
I feel it taking hold

I'm chasing

I'm chasing gold
I'm chasing, I'm chasing gold

Gold, I'm chasing gold
I'm chasing, gold
I'm chasing, I'm chasing gold

I'm chasing
