

# Sanctuary

Delta Heavy

(Your sanctuary)

Show me all you are that your demons bring on  
Oh, we can take the light off, you're not alone

Don't go, don't leave  
Cause I will be your sanctuary  
Don't cry, don't fear  
Cause I will be, I will be  
Your sanctuary

Don't go, don't leave  
Cause I will be your sanctuary  
Don't cry, don't fear  
Cause I will be your sanctuary

Cause I will be, I will be your sanctuary  
Your sanctuary

Show me all you are that your demons bring on  
Oh, we can take the light off, you're not alone

Don't worry, don't leave  
Cause I will be your sanctuary  
Don't cry, don't fear  
Cause I will be, your sanctuary

Don't worry, oh, don't leave  
Your sanctuary  
Don't cry, oh, don't fear  
Cause I will be, your sanctuary

Cause I will be, your sanctuary
