

## Tremors

**Delta Heavy**

One hideous creak in doorless chambers and strange and frightening sounds echoed through the halls. Whenever candle lights flicker, where the air is deathly still, that is the time when ghosts are present, practicing their terror with ghouls. Welcome through, Miss Marple, to the haunted mansion. There's no turning back now

Consider this dismaying observation. This chamber has no windows and no doors. Look around. There's no getting back now, mwahahaha

Goodnight out there, whatever you are...
