

Ain't Love

Delta Rae

Clock buzzes, it's 6:00 AM
I know this morning is not my friend
You came home in a fix last night
I told you "baby, I don't wanna fight"

And I know it's easy
A broken heart looks good on me
And I know you mean it
But I won't believe you til you're almost screaming

Oh, baby, were we both born sick?
Ain't love til it hurts like this
Oh, baby, were we both born sick?
Cause it ain't love til it hurts like this
Ain't love, ain't love, ain't love
Ain't love til it hurts like this
Ain't love, ain't love, ain't love
It ain't love til it hurts like this

We only share the happy pictures we take
We put a filter on our own heartache
The evening comes like an unpaid bill
Just say the words, darling, break this spell

And I know it's true
Ooh, a broken heart looks good on you
Yeah, I know that's enough
Hey, let's make it worth it, spend the whole night making love

Oh, baby, were we both born sick?
Ain't love til it hurts like this
Oh, baby, were we both born sick?
Cause it ain't love til it hurts like this, no
Oh, baby, were we both born sick?
Ain't love til it hurts like this
Oh, baby, were we both born sick?
Ain't love til it hurts like this

You, you make me feel
Like gold, white heat, black velvet
And you, you got the touch to heal me
But it ain't enough

Ain't love, ain't love, ain't love
Ain't love til it hurts like this
Ain't love, ain't love, ain't love
Ain't love til it hurts like this
Ain't love, ain't love, ain't love
Ain't love til it hurts like this
Ain't love, ain't love, ain't love
Ain't love til it hurts like this
