

If I'd Known I Loved Her

Delta Rae

My rivers were all dammed
And my stars all had their names
There was nothing left to discover
Till she came into my hands
And I let her slip away
And now it sparks my heart with wonder

What if I'd known
What if I'd known

(If I'd known I loved her)
(If I'd known I loved her)

Come back to me baby
Give me one more sleepless night
I don't want to be the rolling stone
And I'll admit when I met you
Wasn't love at first sight
Aw, forgive this fool for getting it so wrong
What if I'd known

(If I'd known I loved her)
What if I'd known
(If I'd known I loved her)
What if I'd known
Would I be so lonely
If I'd known I loved her

I would have stayed
(If I'd known I loved her)
Wouldn't make my greatest mistake
(If I'd known I loved her)
Wouldn't have my heart wouldn't break night after night
Like I can't ever escape, no
(If I'd known I loved her)
What if I'd known
(If I'd known I loved her)
What if I'd known
Would I be so lonely
If I'd known I loved her

I'm a little older now
And I've never lost my way
Except that one fateful morning
On that one fateful day
And I've fallen down
And I can't get out

(If I'd known I loved her)
What if I'd known
(If I'd known I loved her)
What if I'd known
(If I'd known I loved her)
What if I'd known
(If I'd known I loved her)
What if I'd known
Would I be so lonely

If I'd known I loved her
