Illuminator

Delta Sleep

I know you're tired of carrying your shadows to the light, over
 again
Despite it all, all the darkness that they caused, you're not a
lone

I know you're tired of carrying your shadows to the light, over
 again
Despite it all, all the darkness that they caused, you're not a
lone

We know you're tired of carrying your shadows to the light, ove
r over over again
Despite it all, all the darkness that they caused, you're not a
lone
