

Can You Ever Forgive Me?

Delta Spirit

Can you ever forgive me?
For not being there when you needed me
Well, you know I tried
But can you understand?
That I'm just a man, who loves you

Rewind, 2017
Was the worst year
That we'd ever seen
Or will ever see
'Cause when it hit the fan
We couldn't understand
No we didn't know
We were so naive

Can you ever forgive me?
For not being there when you needed me
Well, God knows I tried
But can you understand?
That I am just a man who loves you

And we're running out of time
And we're running out of tears
Yeah, we'll be fine
When we sweep it under the rug
For another year

Is that what you want to hear?
You know time is meant to heal
We got nothin' left to fear

Can you ever forgive me?
If I apologize a thousand times
I'm so sorry still
But can you understand?
That I'm just a man who loves you
