

## It Ain't Easy

Delta Spirit

Could you feel me, melting in your hand?  
The last time you saw me, I was blacked out in the van  
Disregarding every single red light that I saw  
I blew past a speed trap, now I'm in trouble with the law

For the longest time, I would try  
To get in line  
But it ain't easy  
And I found it hard to be myself  
Without your help  
But it ain't easy (easy, easy)

In your suit you're dancing on my stage  
Sipping pink lemonade, I'm rolling in my grave  
Thought I was dead but I am better now  
Proving those in doubt I'll never let you down

For the longest time, I would try  
To get in line  
But it ain't easy  
And I found it hard to be myself  
Without your help  
But it ain't easy

Too wrong to make it right  
Too proud to let it die  
Before I say good night  
I'll have my hands up  
Too wrong to make it right  
Too proud to let it die  
Before I say good night  
I'll have my hands up  
Ooh, ooh, ooh, ooh, ooh-oo  
Ooh, ooh, ooh, ooh, ooh-oo  
Ooh, ooh, ooh, ooh, ooh-oo  
Ooh, ooh, ooh, ooh, ooh-oo

Too wrong to make it right (Ooh)  
Too proud to let it die (Ooh)  
Before I say good night (Ooh)  
I'll have my hands up (Ooh, ooh-oo)  
Too wrong to make it right (Ooh)  
Too proud to let it die (Ooh)  
Before I say good night  
I'll have my hands up
