Tellin' The Mind

Delta Spirit

It took the final straw that broke across my back And as the others watched they all refused to lend a hand

Tellin' the mind, tellin' the mind, tellin' the mind just what I wanna do Tellin' the mind, tellin' the mind, tellin' the mind just what I have to do

I have been taking notes of when you come and when you leave I sneak out in the night and take everything I need
