

Flow Snow

DELUHI

You lock yourself in mind ice
You cry alone, there is nothing I can do
Fall down
Fell down
Just like a silent snow
Freeze down
Drop down
I wanna save you

You say
No one understands me
And my heart is frozen down
Fall down
Fell down
Just like a silent snow
Freeze down
Drop down
I wanna save you

Furi tsumeru tsumeru kanjou ga kanshou teki joukei ni
Shiroku shiroku hibiku sorrow
That no one hears you screaming
Tsumetai kaze ni

Flow snow
Negai ga kanau nara
Kimi o tsutsumikomeru you na yuki ni nari tai
Flow snow
Namida no kawari ni sono hoo o nurase ru kara

Mai ochiru ochiru daichi ga kandou teki fuukei ni
Shiroku shiroku somaru frozen
That no one hears you screaming
Tsumetai kaze ni

Flow snow
Kisetsu ga nagare te
Dare mo ga yukigeshiki o wasure te iku you ni
Flow snow
Kimi no kanashimi mo itsuka toke te iku kara

Life time
Kie te yuku toki ha tada oto mo naku
Daichi to shizuka ni mazari au
Kimi no koto omou dareka ga iru koto kanji te kudasai
Sono kanashimi mo aishi te kudasai
Arata na hibi o omoeru you ni

Before my time is up...
You'll find the flow snow
