

Follow the Future

DELUHI

Yeeaaaaahhhh!!!!

Say what you want to say
It's for you to decide
Time flies so fast
You must decide now make or break

You find truth and real
It's your faith that makes you stronger
So you accept even sorrow
Can you feel grief and pleasure?
Nobody's gonna show you how
So you believe even all pain

Face to face
Follow the future
Shout out
Follow the future

Face to face
Follow the future
Shout out
Follow the future

You find truth and real
It's your faith that makes you stronger
So you accept even sorrow
Can you feel grief and pleasure?
Nobody's gonna show you how
So you believe even all pain

Face to face
