

Remember the rain

DELUHI

Gogo no tsumetai kaze ga nobita kami wo suri nukeru
Haiiro ni somatta sora wa naiteiru

Tatazumu hito ha shinkiro keshiki tokeru BUS tei
Daremo ga mukanjou na boukyaku matteiru

I was walking alone
The way we walked together
I was walking alone
Can you hear me now?
I always think of you

Remember the rain toki ga tomatta mama
Zutto samenai yume wo miteiru
Me wo tojireba kowaranu kimi ga kokoro wo nurasu
Zawameku machi kyo mo ame ga utau

Utsusuriyuku hibi ha ashibaya ni arata kishitsu sagasu
Nobita kage kokoro ni kasa wo sashiteiru

Any day, any time, anywhere Just like the rain
Any day, any time, anywhere you're talking to me

I was walking alone
The way we walked together
I was walking alone
Can you hear me now?
I always think of you

Remember the rain ashita ga nagaretemo
Kitto kowaranai omoi ga aru
Chirabatta kioku ga nandomo tsumikasanariatte
Kanawanu negai yureru kokoro ni utsusu

Remember the rain toki ga tomatta mama
Zutto samenai yume wo miteiru
Me wo tojireba kowaranu kimi ga kokoro wo nurasu
Zawameku machi kyo mo ame ga utau

Remember the rain ashita ga nagaretemo
Kitto kowaranai omoi ga aru
Chirabatta kioku ga nandomo tsumikasanariatte
Kanawanu negai yureru kokoro ni utsusu
