

# Gorilla

Deluxe

I've been praying for rock hard rain  
So I'd have quality time to spend  
At home with you you you you  
You you you you  
My guilty grins I can't contain  
Lemony haze on my windowpane  
Cuz I got you you you you  
Cuz I got you you you you  
Brahs at home chilling with their hens  
No one's out, no more single friends  
Thank God I got you  
God I got you  
Thank God I got you you you you  
All green things are the true godsends  
Al Green sings and my worries end  
When I'm with you  
I'm with you  
I'm with you you you you

I'm all out of love  
I'm all out of love  
For you

I'm all out of love  
I'm all out of love  
For you

You're everything that my heart desires  
You fill me with empty and nothing matters  
No nothing else matters, aye  
I can't keep losing my marbles  
Day after daily day  
If I were to lose you to garble  
I'd bite my nails and  
Pete can't compete the abnormal  
Let me heal till the tomorrow  
Or yesterday or what's the date?

Was it the day before?  
Oh babe, I swore  
I'd quit it, quit it  
Yeah, yeah, yeah  
Quit it, quit it  
Was it the day before?  
Was it the day, I swore  
I'd quit it, quit it  
Yeah, yeah, yeah  
Quit it, quit it

We can patch up the cracks with gorilla glue  
Look to the northern lights and my dreams are blue  
My dreams are blue  
I smell B-52s through the greenish hue  
Girl-scout cookie gelato, my dreams are blue  
My dreams are blue

I'm all out of love

I'm all out of love  
For you

I'm all out of love  
I'm all out of love  
For you

I'm all out of love  
I'm all out of love  
For you

I'm all out of love  
I'm all out of love  
For you
