

Mr. Chicken

Deluxe

You know you know, that's why that's why
You know you know, that's why that's why
You know you know, that's why that's why
You know you know, that's why that's why

You're a disaster, you're one stock of laughter
Your dog is a rag it deserves to be dragged
I saw you eat your fucking shit you must of thought it was chocolate
Take it as a sign if you are hearing my rhymes

Rub your ass to the floor make it sparkly shinny whore
I'm wasting ink and paper for you fugally mother lover
D'you own a dictionary this is disfunctionary
My spit is your rain. I don't pin your brain.

It's the chicken its the chicken that we fry fry fry
It's the chicken that we're frying deep
It's the chicken its the chicken that we fry fry fry
It's the chicken that we're frying deep

Your eyes are tightening see you armhair rising
Did I upset you main when I spat on your name
Stuff a geese find release go on and cry over a tease
We'll be careful near the knettle nitty gritty beardy beast

Pardon my french you wanky sac of drench
Go ahead and hide under a bench I didn't ask to be a witch
Big girl's blouse are your ears fully aroused
Its a bitter pill to swallow even though the words are shallow

It's the chicken its the chicken that we fry fry fry
It's the chicken that we're frying deep
It's the chicken its the chicken that we fry fry fry
It's the chicken that we're frying deep

You know you know, that's why that's why
You know you know, that's why that's why
You know you know, that's why that's why
You know you know, that's why that's why

It's the chicken its the chicken that we fry fry fry
It's the chicken that we're frying deep
It's the chicken its the chicken that we fry fry fry
It's the chicken that we're frying deep
