Demarco

Spread peace, not hate
Demarco Di Don
Yeah eh
I beg you understand

It takes so many muscles to frown, and way less to smile
So smile
Thank you Father God, you wake me this morning to wear my love like a style
And it can't spoil
Tell you Mr. dj
Pull it up 'cause I don't worry, I just take it easy
Yeah eh
Tell you Mr. dj
When you show the people love you get the leeway
You hear wha' mi say?

It's the only way, free your mind up
Don't you try grudge, even if dem fight us
It's the only way, free your mind up
Push up your lighters, even if dem no like us
L.O.V.E., L.O.V.E., L.O.V.E., love
Yeah, yeah
L.O.V.E., L.O.V.E., L.O.V.E., love

Watch the people dem a bawl out
Love

Pull it up again and make we bawl out
Love

Me hear the people dem a cry out
Love
Love

A straight positiveness
When you show the love you get it back, oh God, I've been blessed
Dem no happy 'cause dem show a lack of interest
Money me see the whole of dem a stack and invest
The dollars strapped pon him chest
Do the journey fi the love, anuh money move I
Music before the money, dem say, "Gweh, you too lie!"
Oh my
Positive energy, that gives my soul joy
You know why
Hey

It's the only way, free your mind up
Don't you try grudge, even if dem fight us
It's the only way, free your mind up
Push up your lighters, even if dem no like us
L.O.V.E., L.O.V.E., L.O.V.E., love
Yeah, yeah

L.O.V.E., L.O.V.E., L.O.V.E., love

Watch the people dem a bawl out
