Step out in a mi brand new shoes

Survival a the fittest, haffi get the riches
Suh mi a go tell you likkle supn weh you should hear

One more year again
One more year again
And mi a tell you
One more year again
Suh mi a party wid mi friend
Jungle lawn, no regrets
Jah, Jah, mi praise
Guide mi steps

Unuh deaf
One more year again
Suh mi a party wid mi friend

Fi the new year
After and after that
Watch dutty badmind catch heart attack

But mi naw fall for that
Only guy can tell a the master that
Suh wi a lead from wi step out a the starter block

Suh anything wi do, wi do with unorthodox
Yo cyaa hear get a barber shop
Wi nuh talk allot, old wicked dem

One more year again
One more year again
And mi a tell you
One more year again
Suh mi a party wid mi friend
Jungle lawn, no regrets
Jah, Jah, mi praise
Guide mi steps

Unuh deaf
One more year again
Suh mi a party wid mi friend
