

## Crazy Horses

**Demented Are Go!**

There's a message floatin' in the air  
Crazy horses ridin' everywhere  
It's a warning, it's in every tongue  
Gotta stop them crazy horses on the run

What a show, there they go smokin' up the sky, yeah  
Crazy horses all got riders, and they're you and I  
Crazy horses, crazy horses

It's a warning, it's in every tongue  
Gotta stop them crazy horses on the run

Never stop and they never die  
They just keep on puffin' how they multiply  
Crazy horses, will they never halt?  
If they keep on movin' then it's all our fault

What a show, there they go smokin' up the sky, yeah  
Crazy horses all got riders, and they're you and I  
Crazy horses, crazy horses

So take a good look around,  
see what they've done, see what they've done
