

Rewrite The Past

Dementor

The ceremony in the temple of filth
starts the epoch of lies.
Man who knows the bloody past
will never open his mind.
Contrite servant of mythical god
is betraying the truth.
His thoughts must be changed.
He must rewrite the past.

Rewrite the bloody past
but expect the truth.
When the day meets the night
the secret will be revealed.

You must lie to capture the world.
You must create the legend of god.
The story about the master's life.
The legend of crucifiction.

Rewrite the bloody past.

The religion based on lies.
The strongest need to
to protect the kingdom of Christ.
Servants of god live to lie.
