

## Set It Off

Demetria McKinney

Boy, I ain't really believing  
All of them words you saying  
All the games that your playing  
I know you just want to take me down

No, I ain't these other ladies  
Wanna be called your baby  
Me and my girls came here tonight  
We 'bout to shut it down

Yeah, I seen you come harder  
I'ma play you smarter  
And I ain't tryna leave with you tonight  
I know what's happening  
No, I ain't gon' be easy  
Baby boy, believe me  
I ain't no one to one up in this club

Don't make me have to set it off  
I ain't come here to let you get it off  
Hands back, you ain't getting none of this \*\*\*  
Set it off  
I know my body banging  
I know you thought you was  
Really saying something to get me home but

No, oh, no, no  
No, oh, no, no  
No, oh, no, no  
No, oh, no, no

Baby boy, first off  
I'm just gon' make it easy  
I only came up in this club to dance  
I ain't gon' act sleazy  
Don't make me act crazy  
I ain't your \*\*\* baby  
Just cause you bought a drink  
Don't get \*\*\* payment  
Might get a dance, baby  
Don't wish a chance with me  
And while you watching these hips  
Control your hands, baby  
Control your mans, baby  
Treat me like a lady  
Don't make me have to say it twice

Yeah, I seen you come harder  
I'ma play you smarter  
And I ain't tryna leave with you tonight  
I know what's happening  
No, I ain't gon' be easy  
Baby boy, believe me  
I ain't no one to one up in this club
