

You Give Good Love

Demetria McKinney

I found out what I've been missing
Always on the run
I've been looking for someone

Now you're here like you've been before
And you know just what I need
It took some time for me to see

That you give good love to me, baby
So good, take this heart of mine into into your hands
You give good love to me
Never too much
Baby, you give good love

Never stopping, I was always searching
For that perfect love
The kind that girls like me dream of

Now you're here like you've been before
And you know just what I need
It took some time for me to see

That you give good love to me, baby
So good, take this heart of mine into into your hands
You give good love to me
Never too much
Baby, you give good love

Well I, I can't stop looking around
It's not what this loves all about
Our love is here to stay, to stay

Baby, you give good love
You give good love to me
Never too much
We'll never be so good
Take this heart of mine
Into your hands
You give good love to me
It's never too much
Baby, baby, no, no
You give good love to me

You give good love to me
You give good love, baby
You give good love, darling
You give, you give, baby
You give good love, honey
You give good love, baby
You give good love, darling
You give, you give, baby
