

# Better

Demi Lovato

I hope you know that  
It's not in your head, I'm not letting go of that  
I don't regret losing control, it's not your fault  
And I hope you know that

I'm okay, that I'm doin' all right now  
And it's okay if you don't wanna talk right now  
If you don't stay, can you leave me with the lights out?  
Baby, then I hope you know that

I'm doin' better, better, better  
You know me better, better, better  
I'm bad at fakin', it's okay that you're so angry  
But I promise I'm better, better, better  
I'm doin' better, better, better  
You know me better, better, better  
I'm bad at fakin', it's okay that you're so angry  
But I promise I'm better, better, better (Yeah, yeah, yeah)

Mm, no, you don't believe me  
I'm tellin' the truth, but wouldn't believe me  
If I were you, too, lately  
I found my soul, but deep in my bones  
I hope you know that

I'm okay, that I'm doin' all right now (I'm doin' all right now)  
And it's okay if you don't wanna talk right now  
If you don't stay (Ay), can you leave me with the lights out?  
Baby, then I hope you know that

I'm doin' better, better, better  
You know me better, better, better (Better)  
I'm bad at fakin', it's okay that you're so angry  
But I promise (Yeah) I'm better, better, better  
I'm doin' better, better, better (Oh, oh)  
You know me better, better, better (Oh, oh)  
I'm bad at fakin', it's okay that you're so angry  
But I promise (Yeah) I'm better, better, better (Yeah, yeah, yeah)

I really wish we could talk, I know it's hard  
But I promise I'm doin' better  
You think I'm fallin' apart, not anymore  
I promise I'm doin' better  
But if you wanna reach me, you don't have to leave me  
I'm doin' better, better, better  
You know me better, better, better  
I'm bad at fakin', it's okay that you're so angry  
But I promise I'm, I'm, yeah

I'm doin' better, better, better  
You know me better, better, better (Better)  
I'm bad at fakin', it's okay that you're so angry  
But I promise I'm better, better, better  
I'm doin' better, better, better (Oh, oh)  
You know me better, better, better (Oh, oh)  
I'm bad at fakin', it's okay that you're so angry  
But I promise (Yeah) I'm better, better, better (Yeah, yeah, yeah)
