

Gray

Demi Lovato

It is what it is
No love on my lips
I hope you know I take no pleasure in this
I don't, I don't
What'd you expect?
You get what you get
I told you but you didn't wanna hear it
You know, you know

I didn't lie, so tell me why
You're makin' me feel like the bad guy?
You said it's fine, you didn't mind
You keep it casual, all the time
I didn't lie, and now you're mad
Cryin' to your friends, I'm not okay with that (Not okay)
No, I'm not okay with that (No, I'm not okay)
But I still want you back

I, I, I can't stay away, ayy, ayy-ayy, ayy
But those three words, I won't say
I, I keep you in the gray, ayy, ayy-ayy, ayy
I keep you in the gray, ayy, ayy-ayy, ayy

(Gray, gray, gray, gray, ayy)
I can't give you all of me
(Gray, gray, gray, gray, ayy)
Get comfortable in the gray

Like your taste
I like how you chase, after me when I say, "I need some space" (I need some space)
Oh no, oh no
Name someone else (Name someone else)
Who do it this well
Hit that spot better than I do myself (I do myself)
You know, you know

I didn't lie, so tell me why
You're makin' me feel like the bad guy?
You said it's fine, you didn't mind
You keep it casual, all the time
I didn't lie, and now you're mad
Crying to your friends, I'm not okay with that (Not okay)
No, I'm not okay with that (No, I'm not okay)
But I still want you back

I, I, I can't stay away, ayy, ayy-ayy, ayy
But those three words, I won't say
I, I keep you in the gray, ayy, ayy-ayy, ayy
I keep you in the gray, ayy, ayy-ayy, ayy

(Gray, gray, gray, gray, ayy)
I can't give you all of me
(Gray, gray, gray, gray, ayy)
Get comfortable in the gray
(Gray, gray, gray, gray, ayy)
I can't give you all of me

(Gray, gray, gray, gray, ayy)
Get comfortable in the gray

I, I, I can't stay away, ayy, ayy-ayy, ayy
