

Here We Go Again

Demi Lovato

F
1. I throw all of your stuff away
And then I clear you out of my head
Dm
I take you out of my heart
B
And ignore all your messages
F
I celebrate when we got through
Dm
Cause I'm so much better without you
B
But it's just another pretty lie
Cause I break down
Gm **B**
Everytime you come around
O Oh O Oh

F
R: So how did you get here
Under my skin?
C
I swore that I'll never
let you back in
Gm
Should have known better
B
In trying to let you go
Cause here we go go go again
F
Part of that joy I
know I can't quit
C
Something about you
Is so addictive
Gm
We're falling together
B
You think to find now I know
Cause here we go go go again

2. You never know what you want
You never say what you need
But I start to go insane
Everytime that you look at me
You only hear half of what I say
And you're always showing up too late
And I know that I should say goodbye
But it's no use
Can't Be With Or Without You
O Oh O Oh

R: So how did you get here...
