

# Let Me Down Easy

Demi Lovato

You found me lost in a daydream  
Feeling I've been awake too long  
My eyes are open, my, my heart keeps sinking  
Deeper 'til the days are gone

Doesn't mean I couldn't believe it  
Doesn't mean I won't believe it still  
Every lie is true at the time, baby  
That's the thrill

Oh, won't you let me down, let me down, let me down easy  
If you're gonna let me down?  
If you're gonna let me down, let me down easy  
If you're gonna let me down  
Don't you go and tell me that you love me while you're leaving  
If you're gonna leave me now (Oh)  
If you're gonna let me down, let me down easy  
If you're gonna let me down

I could see us waving in the distance  
Like a mirage on sand  
That could be us trading secrets  
No one else could understand

I got you under my skin now  
Why do you make it so hard?  
Don't leave me broken and free  
Won't you tell me where you are?

Oh, won't you let me down, let me down, let me down easy  
If you're gonna let me down?  
If you're gonna let me down, let me down easy  
If you're gonna let me down  
Don't you go and tell me that you love me while you're leaving  
If you're gonna leave me now (Oh)  
If you're gonna let me down, let me down easy  
If you're gonna let me down

If you're gonna let me down, let me down easy (Let me down easy)  
If you're gonna let me down (Let me down easy)  
If you're gonna let me down, let me down easy (Oh)  
If you're gonna let me down  
Don't you go and tell me that you love me while you're leaving  
If you're gonna leave me now (Leave me now)  
If you're gonna let me down, let me down easy (Let me down easy)  
If you're gonna let me down

Oh
