

# Only Forever

Demi Lovato

I've been thinking 'bout the future  
And I've been thinking 'bout the now  
I know we're gonna be together  
I just don't know how

You know when we get close  
Can't deny the tension between us both  
And I don't wanna pressure you, but I think you need to make a  
move

I've been waiting (I've been waiting)  
And I'll keep waiting (I'll keep waiting)  
Only forever, only forever  
Only forever, only forever  
Only forever, only forever  
Only forever, only forever

Yeah, I can tell that you're terrified to take a shot this stro  
ng  
Should I wait up for you day and night  
Just let me know how long

You know when we get close  
Can't deny the tension between us both  
And I don't wanna pressure you, but I think you need to make a  
move

I've been waiting (I've been waiting)  
And I'll keep waiting (I'll keep waiting)  
Only forever  
Only forever, only forever  
Only forever, only forever  
Only forever, only forever  
Only forever, only forever

What if I told you it's too late?  
What if I say that I can't wait?  
What if I meet somebody else who doesn't leave me on a shelf?  
I'll give you one more chance, but it only lasts

Only forever, only forever  
Only forever, only forever  
Only forever, only forever  
Only forever, only forever  
Only forever
