## **Our Time Is Here**

## **Demi Lovato**

We're done, but it's not over. We'll start it again After the end of the day, it keeps getting better Don't be afraid, we'll do it together.

Come on, come on, you know It's your time to move it's my time to move Come on, come on, let go Leave it all behind, your past and mine

Gone are the days of summer We couldn't change it if we tried Why would we want to, let's go where we got to Out paths will cross again in time It's never the same tomorrow, And tomorrow is never clear

So come on, come on, you know Our time, our time is here

We know, but were not certain How can we be, how can we see what's ahead The road keeps on turning And all we can do, is travel each day to the next

Come on, come on, you know It's your time to move it's my time to move Come on, come on let go, Leave it all behind, your past and mine

Gone are the days of summer We couldn't change it if we tried Why would we want to, let's go where we got to Out paths will cross again in time It's never the same tomorrow, And tomorrow is never clear

Yeah

Gone are the days of summer We couldn't change it if we tried (if we tried) So come on, come on, come on Come on, come on, come on So come on, come on you know Our time... our time Is here- yeah-oh
