1. You speak to me

G
And in your words I hear a melody
Am
But in the twilight it's so hard to see
F
What's wrong for me

2. I can't resist

Until you give the truth a little twist
As if you're gonna get away with this
You're not sorry

Em F G
I can't believe I fell for this...

C G
R: I fell through the hole

Am F
Down at the bottom of your soul
C B F G
Didn't think you could go so low
C G
Look at what you've done
Am F
You're losing me, here's what you've won
C B F G C
Got me planning to go solo, solo

3. You sing to me

Too bad you couldn't even stay on key
If your life is such a mystery
Why don't you just stick to acting

4. Oh, here we go again

You couldn't find my number until when
You thought that you could get to my best friend
Without a script your game is lacking

I can't believe I fell for this...

R: I fell through the hole...

Am
I'd rather go to a party alone
F D

Than have to go around with you on my arm

Am

Now that I'm prone to admit that we're done

F G C G Am F

Good luck trying to find me
