1. I should have known when I got you alone
G **D**
That you were way too into me to know
G **D**
This isn't love, boy, this ain't even close
Em **D**
But you always think we're something that we're not
G **D**
And now you call me every single night
G **D**
I only answer 'cause I'm too polite
G **D**
We happened once or maybe it was twice
Em **D**
Yeah, you always make it hard for me to stop
C **D**
But you always think we're something that we're not
- G**
R: You wanna be more than just friends
D
I can't go through this again
G **D**
Stop tryin' to get inside my head
G
Don't wanna do more than hook up
D **Em** **D**
It's getting stupid 'cause I should have known but I forgot
C **D**
That you think we're something that we're not
Hey!
Ba da, ba da da
Ba ba da
2. I hear you're telling everyone you know
That I'm the one like you can't let me go
And you just keep on blowing up my phone
'cause you never seem to know when you should stop
Don't introduce me to any of your friends
Delete my number, don't call me again
We had some fun but now it's gonna end
But you always make it hard for me to stop
Now you always think we're something that we're not
Hey!

R: You wanna be more than just friends...
