

Sunset

Demi Lovato

I, oh-yeah, yeah, yeah, yeah

Honestly

If I lost you, it'd be the end of me
End of me, everything
All the love would leave inside of me entirely

We're just two tangled souls
Made of roses and thorns
Cuttin' through concrete, mm
We're just ships in the night
Chasin' after the light
Long as I got you, you got me

So don't let the sunset
On our love
Don't let the night fall
Tear us apart, no
'Cause I'm lost without you, without you
Don't let the sunset
On our love, no

Hard to breathe
Every time that you have to leave
'Til you're back with me
All of the parts of me
Thinkin' Heaven must be real
From the way you make me feel, oh

We're just two tangled souls
Made of roses and thorns
Cuttin' through concrete, mm
We're just ships in the night
Chasin' after the light
Long as I got you, you got me, oh

So don't let the sunset
On our love
Don't let the night fall (Night fall)
Tear us apart, no
'Cause I'm lost without you, without you
Don't let the sunset
On our love, no

We're just two tangled souls
Made of roses and thorns
We're just ships in the night
Chasin' after the light
Tell me, what would be life
Without you by my side?
We're just oceans and waves
We're just one and the same (Oh-oh)

So don't let the sunset (Yeah)
On our love (Our love)
Don't let the night fall (Don't let it get too dark, yeah)
Tear us apart, no

'Cause I'm lost without you, without you
(I'm lost with you, and him, with me, I need you back, baby, oh)
Don't let the sunset
On our love, no

Ooh, ooh, ooh, ooh-oooh
Ooh, ooh, ooh, ooh-oooh
