

# Warrior

Demi Lovato

1. This is a story that I've never told  
I gotta get this off my chest to let it go  
I need to take back the light inside you stole  
You're a criminal  
And you still like you're fraud

All the pain and the truth  
I wear like a battle wound  
So ashamed so confused I'm not broken, or bruised

R: Now I'm a warrior  
Now I've got thicker skin  
Now I'm a warrior  
I'm stronger than I've ever been  
And my armor is made of steel you can't get it  
I'm a warrior  
And you can never hurt me again

2. Out of the ashes burning like a fire  
You can save your apologies you're nothing but a liar  
I've got shame I've got scars  
But I will never show  
I'm a survivor  
And always and you know

Cause all the pain and the truth  
I wear like a battle wound  
So ashamed so confused I'm not broken, or bruised

R: Now I'm a warrior...

3. There's a part of me I can't get back  
A little girl grew up too fast  
All it took was once I'll never be the same  
Now I take it back my life today  
Nothing left that you can say  
Cause you were never gonna take the blame anyway

R: Now I'm a warrior...

Nooo oooh yeaah yeaah  
You can never hurt me again
