

Anxiety

Demigod

Internal denial - Tribulation of past
Burning inside exterminating into remains
Slow torture - Loss of vitals
Melting organs forsaken to expire

Degeneration spreads around
Entrails start to vanish
Decadence of the inside
Altered to premature corpse

Living memories - Pains of a trauma
Sorrow fills the mind in misery
Utmost dread - Condemned to die alone
Deepest anxiety lost for morbid will

Human body decays
From the inside to the outside
Ruling endlessly
The body of the forsaken one to expire
