

Hello, Hello

Demis Roussos

Back in Egypt
Just take a look at my Shangri-la
Meet me in Athens
Can you hear the finer nuances
The sound of a horn
That swinging well and makes you feel so fine

Next stop Paris, France
Bet you'll stay there more than a few days
Soon you'll get a chance
Pack your bags, the world's at your feet
The sound of a voice
That sings clear and whispers in your ear

Hello, hello, hello, hey
Hello, hello, hello, hey

Join me in Ireland
What a joy to walk on its sands
Rush through the airport
Catch a plane to Russia or Ukraine
No tears, no rain
I'll smile at you and go for a round or two

Hello, hello, hello, hey
Hello, hello, hello, hey
...
