

Lord Of The Flies

Demis Roussos

Oh, Lord of the Flies, spare my life!
Lord of the Flies, spare my life!
Lord of the Flies, spare my life!
Lord of the Flies, spare my life!

Come, come, sweet nightingale
I'm gonna tell you my sad story
Stay, stay sweet nightingale
Until the night takes over me

Oh, Lord of the Flies, spare my life!
Lord of the Flies, spare my life!
Lord of the Flies, spare my life!
Lord of the Flies, spare my life!

I was born in a land
That lies beneath the Seven Seas
I was in love with a girl of sand
Locked in a castle with no keys

Oh, Lord of the Flies, spare my life!
Lord of the Flies, spare my life!
Lord of the Flies, spare my life!
Lord of the Flies, spare my life!

Satan, give me the key
That will untether my sweet dream girl
Then cry to me, say to me
Your soul is mine the day I set her free!

Oh, Lord of the Flies, spare my life!
Lord of the Flies, spare my life!
Lord of the Flies, spare my life!
Lord of the Flies, spare my life!

Leave me sweet nightingale
Now that you know all of my story
Fly and fly sweet nightingale
Then tell the devil that I'm with Him!

Oh, Lord of the Flies, spare my life!
Lord of the Flies, spare my life!
Lord of the Flies, spare my life!
Lord of the Flies, spare my life!
